

Hendersons Strawberries

Ingredients

200g fresh strawberries
100ml water
130g sugar
2 tsp hendersons relish

Method

- Wash and $\frac{1}{4}$ strawberries, place to 1 side
- Make a stock syrup by adding water and sugar in a pan, bring to boil, turn down heat and cook for 1 more minute until slightly thick
- Pour hendersons relish onto strawberries
- Cover bowl with cling film and allow strawberries to macerate in the cooling syrup

Serving suggestions

Serve topped with a sweet whipped cream, covered in clotted cream, or turn into eton mess by adding meringue and cream together with strawberries, or turn into strawberry sauce by blending and straining to a smooth consistency.
